

I am delighted to write a letter of reference for Jason Hall following their completion of the EntryLevel Financial Analyst Program.

Jason has completed the 6-week program and submitted an exemplary portfolio, demonstrating financial knowledge through their detailed Company Analysis.

In their report, Jason analysed a company's performance, top performing product and compared them with their competitors' financial performance using charts and graphs.

Jason also showed accounting knowledge by calculating the key financial ratios on the company's financial statements and adding insightful comments. Jason then determined the most feasible investment opportunity for the business and wrote a memo with their findings and recommendations.

EntryLevel also awards badges to signify exceptional performance and Jason was awarded the following badges:

The "Team Player" badge, for completing the program alongside a peer group, demonstrating the willingness to learn and solve problems collaboratively.

The "Critical Thinker" badge, for going above and beyond in giving constructive feedback to their peers by reviewing their portfolios.

The "On Time" badge, for their ability to consistently deliver work on time and staying up to date with the program schedule.

Best Regards,

*The EntryLevel Team*
